flush	blub	clump
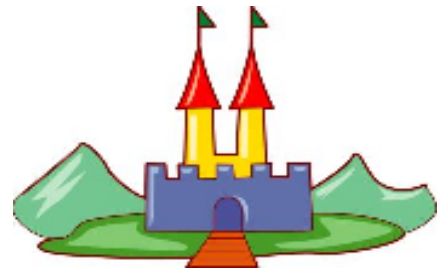

Dragon!

Instructions for Play

Shuffle the cards and place in a bag or container where players cannot see them. Take turns to select cards. If a castle is chosen, the player reads the word aloud and if correct, play moves to the next player. If a dragon card is chosen, the player puts 1 castle card back in the bag and play moves to the next player. The player who has collected the most castle cards at the end wins.
