

Name: _____

Letter Formation: Nn

- ★ Always begin at the star.
- Follow the direction arrows to form the letters correctly.

Teaching instructions: Students choose a coloured felt pen or zoom crayon (something that has a smooth writing feel to it) to trace the large letters. Then with a pencil, they trace over the upper case letters on the line and form 5 of their own to complete the line. Trace over the lower case letters and form 5 of their own on the line.
