Trucks 1-10

Preparation:

Copy truck page and package page onto coloured card. The set can be 1 colour or mixed colours. Make enough for 4-6 players. Keep truck pages as the playing boards. Cut the package page into separate cards.

Instructions:

Each player has a board of trucks. Shuffle the cards and place in a stack face down. Players take it in turns to take a card from the top and try to match it on their board. If they already have a number, they put the card face up on the table for another to player to take in their turn. The first player to cover all their trucks with the correctly matched packages is the winner.
